Your own app, built for you

Ryan Rodriguez, Founder · Kin Studios, San Antonio · October 16, 2026 · one-time offer for the first 10 businesses

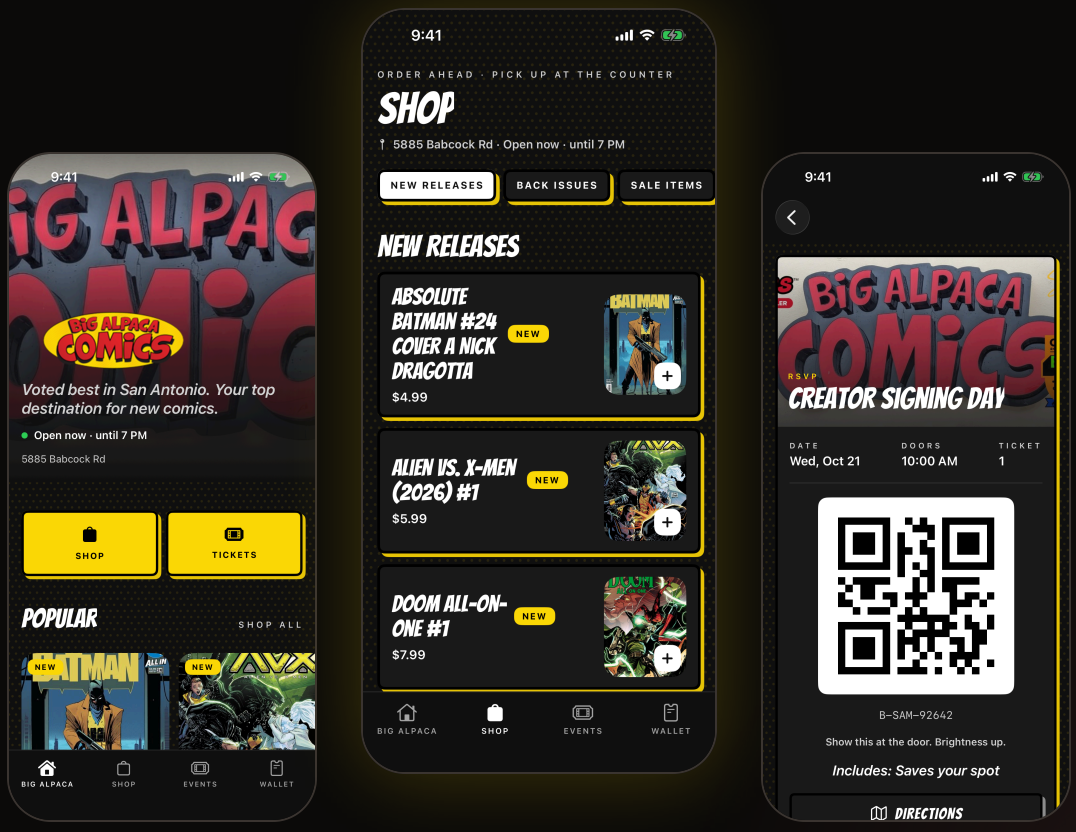

WHAT YOU'RE GETTING

Order ahead, pick up at the counter

Everything in the Big Alpaca app, plus ordering. Collectors build a bag from your catalog, pay in the app, pick a pickup time and follow the order until it is ready. Events like signings and release nights get RSVPs and tickets.

- **Order ahead and pickup.** A bag, a pickup time and a live tracker: received, preparing, ready for pickup. Paid in the app on your own payment account.
- **Your catalog.** 35 titles in 8 sections, with the prices and cover photos from your online store.
- **Events with RSVPs and tickets.** A signing, a release night or a grading day, with capacity, an RSVP or ticket tiers, and a QR ticket that scans at the door.
- **The Alpaca Club.** A stamp card that earns on every order. You set the reward, for example 10 stamps for a free back issue.
- **Promo notifications, written by us.** Two a month, on top of the push notifications you send yourself.
- **A comic-book look, and a website that matches.** Halftone, heavy outlines and comic lettering on your dark ground, plus a Core website and a custom website design in this offer.

ABOUT THE DEMO

The titles, prices and cover photos in the demo come from your ComicHub store as read on October 16, 2026. The Alpaca Club card, the announcements and the Creator Signing Day event are sample content, and ordering and payment are simulated in the demo. Live stock from your register works where the register shares counts; ComicHub's counts have not been checked. Pull lists, want lists and staff tools to hold books and send pickup alerts are the Heroes & Fantasies features: those are a Custom App, from $25,000, quoted after a call.

The monthly price covers

- Bug fixes
- Two edit requests a month, for the app or the website
- A Core website, hosted by us

HOW WE GET TO LAUNCH

From yes to the App Store

1. **You say yes.** We send the agreement and set up your project.
2. **Apple account.** You apply for an Apple Developer account for Big Alpaca Comics. It can take days to a few weeks, so it starts first.
3. **Your info.** You send the list below. This is what sets the pace.
4. **We build it.** Your menu or catalog, photos, hours, loyalty card and push notifications, in your brand.
5. **Test run.** You and a few regulars use it through Apple's TestFlight. We fix what you find.
6. **Launch.** Apple reviews it and it goes live under your name.

What we need from you

- Your logo files
- Your current menu or price list
- Your hours and phone number
- Your best photos
- Your loyalty reward, for example how many stamps for what
- An email for your Apple Developer account

Ready? Reply "YES".
