5885 BABCOCK RD · IPHONE

Your own app, built for you

Ryan Rodriguez, Founder · Kin Studios, San Antonio · October 16, 2026 · one-time offer for the first 10 businesses

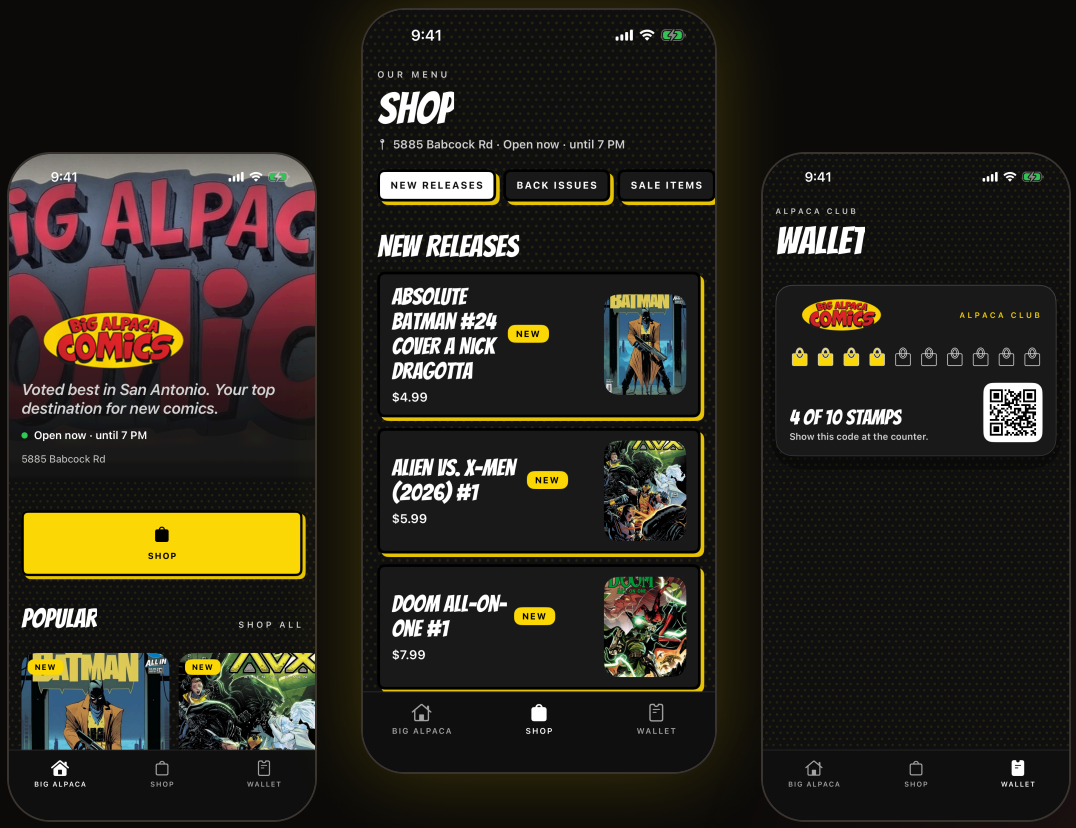

WHAT YOU'RE GETTING

The whole shop, in a collector's pocket

One app in Big Alpaca's own yellow and red, with your logo and your cover art, set in a comic-book look. Collectors browse new releases, back issues and graded books, check your hours and collect stamps toward a free back issue.

- **Your catalog.** 35 titles in 8 sections, with the prices and cover photos from your online store: new releases, back issues, sale items, graphic novels, manga, graded and signed books, store exclusives and card games.
- **Open now and directions.** Your hours with a live "Open now" line, and directions to 5885 Babcock Rd.
- **The Alpaca Club.** A stamp card on the phone. You set the reward, for example 10 stamps for a free back issue.
- **Push notifications you send yourself.** New releases on the shelf, the sale bin restocked, a signing. You write it and send it.
- **A website that matches.** A Core website is included, and a custom website design on top of it is part of this offer.

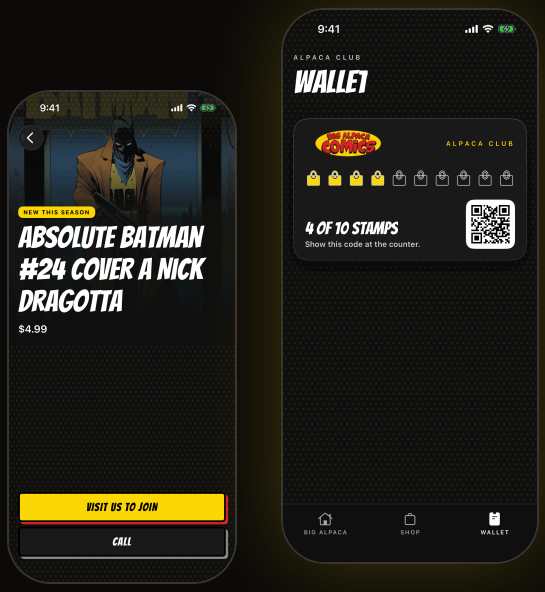

WHY IT PAYS FOR ITSELF

Why it earns its keep

35	8	0	$199
titles in the demo, from your store	sections, new releases to graded books	setup fee, this offer only	a month, website included

- **Wednesday's new releases, announced.** A push notification on new-comic day brings collectors in.
- **A reason to come back.** A stamp card on the phone gets used. A paper card gets lost.
- **Your own channel.** Your store page handles checkout. The app puts Big Alpaca on the phone with your cards and your announcements.
- **Fast to update.** Two edit requests a month cover new sections and photos, for the app or the website.

ABOUT THE DEMO

The titles, prices and cover photos in the demo come from your ComicHub store as read on October 16, 2026; back issues and sale items rotate. The hours are shown as published, and the Wednesday 8:30 open should be confirmed. The Alpaca Club card and the announcements are sample content, and ordering and payments are not part of Kin App. A want list or pull-list tool for collectors, with staff tools to hold books and send pickup alerts, is a Custom App feature quoted after a call.

INVESTMENT

Your one-time offer

Kin App normally costs $1,500 to set up, then $199 a month. For the first 10 businesses I'm waiving the setup fee and adding a custom website design, free.

SETUP

~~$1,500~~ $0

Waived for this offer. A free custom website design is added: our Foundation build, normally $1,950.

MONTHLY

$199/mo

12 month minimum. After that it is month to month and you can cancel any time.

The monthly price covers

- Backend hosting and push notification delivery
- Every new iOS release: tested, fixed, rebuilt and resubmitted
- Bug fixes
- Two edit requests a month, for the app or the website
- A Core website, hosted by us

You pay directly

Apple Developer account, in Big Alpaca Comics's name	**$99/yr**
Anything else on the monthly price	**$0**

The app is published on your own Apple Developer account, so it stays yours.

Year one, all in

Setup (normally $1,500)	**$0**
Kin App, 12 months × $199	**$2,388**
Apple Developer account	**$99**
Total, year one	**$2,487**

Without this offer, year one is $3,888 plus $99 for Apple, and the custom website design is $1,950 on top. This offer saves you $3,450.

THE DEAL

The terms

What you own

- The App Store listing, published on your own Apple Developer account
- Your brand, logo and photos
- Your customers' data. If you cancel after the first 12 months, we hand it over.

If you ever leave

- After the first 12 months, cancel any time
- No cancellation fee after month 12

This offer includes

- Setup fee waived ($1,500)
- A free custom website design (Foundation, $1,950 value)
- Kin App at $199 a month with a 12 month minimum
- Limited to the first 10 businesses

Good to know

- **One location.** Kin App is one location with a fixed feature set. Several locations, staff tools or a design built from scratch make it a Custom App, quoted after a call.
- **No payments in the app.** Kin App does not take orders or payments. Kin App Pro does, at $399 a month.
- **Demo data.** What you saw is a demo built from your public information. We confirm every price and hour with you before launch.

HOW WE GET TO LAUNCH

From yes to the App Store

1. **You say yes.** We send the agreement and set up your project.
2. **Apple account.** You apply for an Apple Developer account for Big Alpaca Comics. It can take days to a few weeks, so it starts first.
3. **Your info.** You send the list below. This is what sets the pace.
4. **We build it.** Your menu or catalog, photos, hours, loyalty card and push notifications, in your brand.
5. **Test run.** You and a few regulars use it through Apple's TestFlight. We fix what you find.
6. **Launch.** Apple reviews it and it goes live under your name.

What we need from you

- Your logo files
- Your current menu or price list
- Your hours and phone number
- Your best photos
- Your loyalty reward, for example how many stamps for what
- An email for your Apple Developer account
