THE PARISH, 1624 BUENA VISTA ST. #14 · IPHONE

Your own app, built for you

Ryan Rodriguez, Founder · Kin Studios, San Antonio · October 16, 2026 · one-time offer for the first 10 businesses

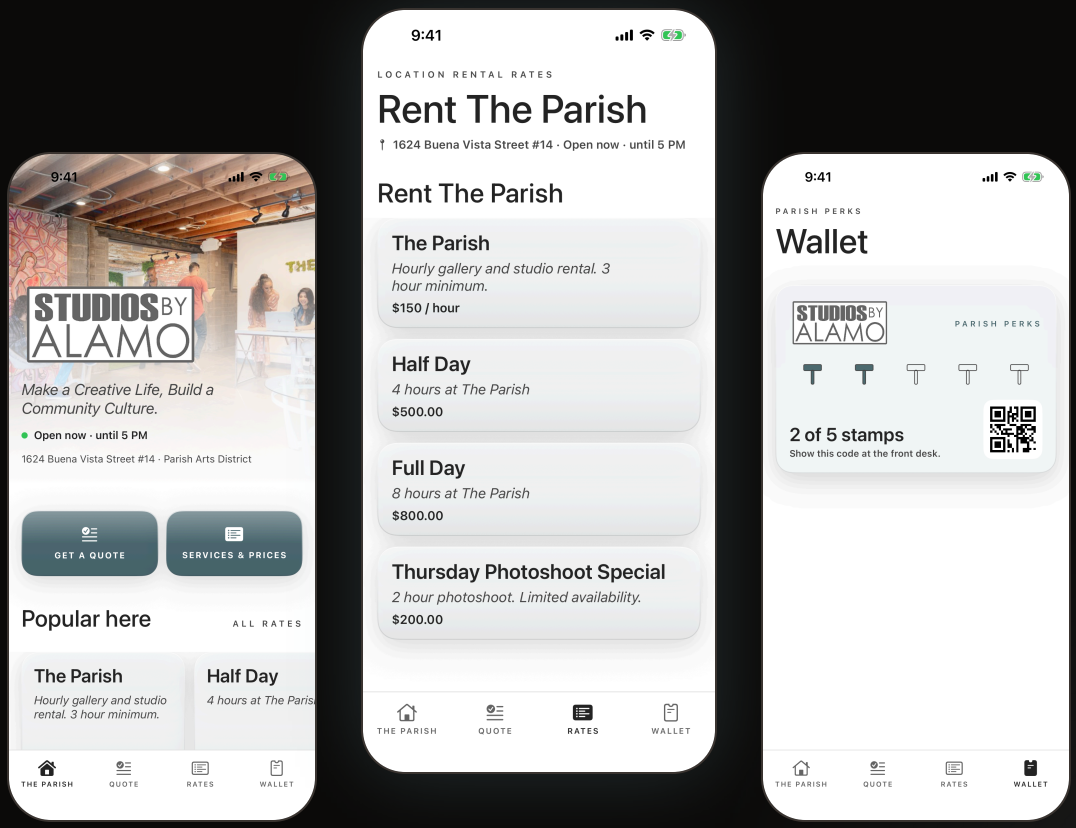

WHAT YOU'RE GETTING

Your space, one tap from a tour

One app in Studios by Alamo's own look, with your logo and your photos. Creatives open it to see The Parish, the rental rates and the gallery, and to ask for a tour.

- **Your rates, published.** The Parish at $150 an hour with a 3 hour minimum, a half day at $500, a full day at $800 and the Thursday 2-hour photoshoot special at $200, as listed on your Location Rentals page.
- **Request a tour.** A short form that sends you the visitor's name, what they are looking for and how to reach them.
- **A gallery of the space.** Your own photos of the studios, the lounge, the mural and the building.
- **Notices you send yourself.** A Thursday special, an open studio, an event. You write it and send it.
- **A website that matches.** A Core website is included, and a custom website design on top of it is part of this offer.

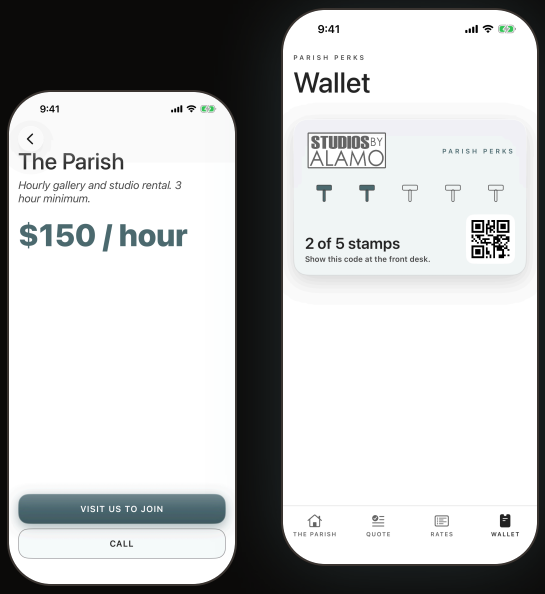

WHY IT PAYS FOR ITSELF

Why it earns its keep

4	1	0	$199
published rental rates in the demo	property shown, The Parish	setup fee, this offer only	a month, website included

- **Fewer phone calls to answer.** Rates, photos, address and hours are in the app, so a visitor sees the space before they call.
- **Tour requests in one place.** Each request arrives with the details you need to follow up.
- **A home for the community.** Tenants and visitors get your notices on their phones: openings, specials, events.
- **Fast to update.** Two edit requests a month cover rate changes and new photos, for the app or the website.

ABOUT THE DEMO

The rates, address, phone, hours and photos in the demo are from studiosbyalamo.com. The weekday 9 AM to 5 PM hours come from your Instagram bio and are shown as office hours. The Parish Perks card and the announcements are sample content, and the tour request form is a simulated demo form. Kin App does not take bookings or payments; booking and paid reservations are Kin App Pro, and several properties (Root, Hope House, Brownstone, Zocalo) would be a quoted Custom App. Only The Parish is shown.

INVESTMENT

Your one-time offer

Kin App normally costs $1,500 to set up, then $199 a month. For the first 10 businesses I'm waiving the setup fee and adding a custom website design, free.

SETUP

~~$1,500~~ $0

Waived for this offer. A free custom website design is added: our Foundation build, normally $1,950.

MONTHLY

$199/mo

12 month minimum. After that it is month to month and you can cancel any time.

The monthly price covers

- Backend hosting and push notification delivery
- Every new iOS release: tested, fixed, rebuilt and resubmitted
- Bug fixes
- Two edit requests a month, for the app or the website
- A Core website, hosted by us

You pay directly

Apple Developer account, in Studios by Alamo's name	**$99/yr**
Anything else on the monthly price	**$0**

The app is published on your own Apple Developer account, so it stays yours.

Year one, all in

Setup (normally $1,500)	**$0**
Kin App, 12 months × $199	**$2,388**
Apple Developer account	**$99**
Total, year one	**$2,487**

Without this offer, year one is $3,888 plus $99 for Apple, and the custom website design is $1,950 on top. This offer saves you $3,450.

THE DEAL

The terms

What you own

- The App Store listing, published on your own Apple Developer account
- Your brand, logo and photos
- Your customers' data. If you cancel after the first 12 months, we hand it over.

If you ever leave

- After the first 12 months, cancel any time
- No cancellation fee after month 12

This offer includes

- Setup fee waived ($1,500)
- A free custom website design (Foundation, $1,950 value)
- Kin App at $199 a month with a 12 month minimum
- Limited to the first 10 businesses

Good to know

- **One location.** Kin App is one location with a fixed feature set. Several locations, staff tools or a design built from scratch make it a Custom App, quoted after a call.
- **No payments in the app.** Kin App does not take orders or payments. Kin App Pro does, at $399 a month.
- **Demo data.** What you saw is a demo built from your public information. We confirm every price and hour with you before launch.

HOW WE GET TO LAUNCH

From yes to the App Store

1. **You say yes.** We send the agreement and set up your project.
2. **Apple account.** You apply for an Apple Developer account for Studios by Alamo. It can take days to a few weeks, so it starts first.
3. **Your info.** You send the list below. This is what sets the pace.
4. **We build it.** Your menu or catalog, photos, hours, loyalty card and push notifications, in your brand.
5. **Test run.** You and a few regulars use it through Apple's TestFlight. We fix what you find.
6. **Launch.** Apple reviews it and it goes live under your name.

What we need from you

- Your logo files
- Your current menu or price list
- Your hours and phone number
- Your best photos
- Your loyalty reward, for example how many stamps for what
- An email for your Apple Developer account

Ready? Reply "YES".

Reply to this message or email ryanrodriguez@kinstudios.org and I'll send the agreement the same day. See our work and the full app pricing at kinstudios.org.
